

TECHNICAL SPECIFICATIONS

PART 1 GENERAL

1.1 SCOPE OF WORK

Chemical Supplier/Contractor shall furnish all materials, equipment, transportation, labor, and supervision, required to supply and deliver chemicals for two (2) years as specified herein to Lower Bucks County Joint Municipal Authority's (Authority) (also referred to as "Owner") Wastewater Treatment Plant (WWTP) and Water Treatment Plant (WTP). All chemicals shall be delivered in truckloads unless otherwise specified. It shall be the responsibility of the chemical supplier to proceed with the work in the manner and within such limitations as may be prescribed by the Owner. All containers, drums including 55-gallon drums, 275-gallon totes and wooden pallets shall remain the property of the supplier at all times. No charge for the containers, totes and drums shall be made to the Owner for their use. The contractor/supplier shall remove all empty 55-gallon drums, 275-gallon totes and wooden pallets from the Owner's facility and take them back to its facility or disposed of at a permitted facility at no cost to the Owner within five (5) working days from the date notified or requested by the Authority either through telephone or in writing. The Owner reserves the right to extend the contract period for an additional one (1) year upon written agreement by both parties.

1.2 LOCATION OF WORK

The chemicals that are to be supplied under this contract shall be delivered to the following locations:

Lower Bucks County Joint Municipal Authority
Wastewater Treatment Plant
7900 Bristol Pike
Levittown, Pennsylvania 19057

Lower Bucks County Joint Municipal Authority
Water Treatment Plant
60 Main Street
Tullytown, Pennsylvania 19007
