NOTES:

1. The Owner/Applicant shall submit, with this application, three (3) copies of all utility plans along with applicable detail pages for the proposed facility along with a letter stating the anticipated water and/or sewer usage in gallons per day with calculations.
2. All Restaurants/Commercial and Industrial Users are required to submit internal plumbing plans and complete and submit an Industrial Wastewater Discharge Permit Application along with this application, a copy of which can be found at www.lbcjma.com.
3. All Restaurants/Commercial food preparation facilities are required to install a minimum of a 1,000-gallon capacity baffled exterior grease interceptor as per the Authority's Pretreatment Resolution, a copy of which can be found at www.lbcjma.com. For details, please contact the Pretreatment Coordinator at 215-945-7400.
4. Storm water and/or groundwater sources are **NOT** to be connected to or allowed to leak into the sanitary sewer system at any time under any circumstances. This includes but is not limited to, sump pumps, floor drains, roof drains, yard drains, condensate lines, etc.
5. The Owner/Applicant is responsible for obtaining a written agreement from all neighboring property owner(s) should the Owner/Applicant have the need to go through, or on another person's property in order to make the water and/or sewer connection. The original executed agreement, signed and dated by both parties **MUST** be submitted and on file at the Authority's office **PRIOR** to **ANY** connections being made.
6. The Owner/Applicant is responsible for all costs, fees, permits as well as Highway Occupancy permits, and any required escrow amounts associated with this project.
7. The Owner/Applicant shall obtain a water withdrawal permit if service is required for construction purposes. The water withdrawal permit application can be found at www.lbcjma.com.
8. Permit Fee Schedule is attached.
9. All required documents shall be submitted to the Engineering Department at: **7811 New Falls Rd, Levittown, PA. 19055**. Please contact 215-945-7400 should you have any questions regarding this application.

Subject to the Rules and Regulations of Lower Bucks County Joint Municipal Authority, I hereby apply for a sanitary sewer service connection and/or water connection at the property and location described herein. I hereby certify that the plumbing system connected or to be connected is lead free in accordance with the title regulations of the Safe Drinking Water Act Amendment of 1986, Section 1417, any amendments and all applicable state, local laws, ordinances, and plumbing codes.

Lower Bucks County Joint Municipal Authority
Water and Sewer Connection Rates
Effective July 1, 2005

Water Connection Fee	\$1,773.00/EDU
Sewer Connection Fee	\$1,657.00/EDU

Water and Sewer Service Tapping Fee/Connection Fee Charges Based on Equivalent Dwelling Units (EDU)

Connection fee/tapping fee charges for water and sewer shall be based on the number of Equivalent Dwelling Units as defined by the Authority and determined at the time of connection. Each individual, residential household shall be considered one (1) EDU. Additional connections to residential households, or additions to the home resulting in additional units (i.e. rental units, mother-in-law unit), shall be considered additional EDU's. Commercial and industrial connection fees shall be based on the EDU's determined by estimated flow.
